

Legal Notice

The following terms of use apply to this web site ('Site'). Use of Site signifies your agreement to these terms of use. Please read the following terms of use carefully before using Site. If you do not agree to these terms of use, then do not use Site.

Ownership of Site

Site and all material available from it is owned, operated, licensed and controlled by Saudi Chevron Phillips Company, Jubail Chevron Phillips Company and Saudi Polymers Company (collectively 'S-Chem'). The public availability of any information or materials contained on the Site and owned by S-Chem ('Materials') does not transfer any ownership rights in the Materials.

Restrictions on Use of Materials

No Materials may be copied, reproduced, republished, framed, inlined, linked to, uploaded, posted, transmitted, or distributed in any way, except that you may download one copy of the Materials on any single computer and produce one printed copy for your personal, non-competitive use only, provided you keep intact all copyright and other proprietary notices. Modification of the Materials or use of the Materials for any other purpose is a violation of S-Chem's copyright and other proprietary rights. Permission for all other uses of the Materials, including reproducing and distributing multiple copies, or linking to any web page must be obtained from S-Chem in advance. Requests for such authorization can be obtained by contacting S-Chem. The unauthorized use of any Material on any other web site or networked computer environment is prohibited. All trademarks, service marks, and trade names are proprietary to S-Chem.

The descriptions of S-Chem products and services included in the Materials are subject to any limitations and disclaimers stated within those descriptions.

Privacy Statement

S-Chem recognizes and respects the privacy of our customers and web visitors. We do not collect personal information about visitors to this Site unless it is provided voluntarily. If you send email inquiries to S-Chem, your personal information, including your email address, will be used only for the purpose of responding to your inquiry, and will not be shared with third parties. Such information may be retained for the purpose of tracking the types of questions received by S-Chem. Customer information received from the Site will be used only for the purposes for which it is provided by a customer. If the information relates to a product or service, S-Chem may share the information with service providers who assist us in providing the products and services to customers. S-Chem may also disclose information you provide through the Site if required to do so by a court order or applicable law.

The Site utilizes cookies in its interaction with your computer. "Cookies" are pieces of information that are stored by your browser on your computer's hard drive to enable you to more easily communicate and interact with a web site. We may use cookies to allow you to use our Site more easily and to allow us to keep track of certain statistical information that helps us improve our Site. Most browsers are initially set to accept cookies. You may, however, disallow reception of cookies at any time by resetting your web browser. S-Chem does not use cookies to retrieve information from a computer that is unrelated to the

Site or your interaction with the Site. The cookies used in the Site do not communicate personally identifiable information.

Information You Provide

S-Chem does not accept or consider unsolicited ideas, including ideas for new promotions, products, technologies, or processes. You must not transmit any material to or through this site that you consider to be confidential or proprietary. Any material that you transmit to or through this Site will be considered non-confidential and non-proprietary. This policy serves to avoid potential misunderstandings or disputes regarding ownership of ideas. Except as expressly provided herein or in a separate written agreement between you and S-Chem, you give S-Chem an unrestricted, irrevocable, worldwide, royalty-free license to use, reproduce, display, publicly perform, transit and distribute any such information you provide without any obligation to compensate you.

Links To and From Other Web Sites

This Site may contain links to other non-S-Chem web sites. These links are for informational purposes only. S-Chem is not responsible for the availability or content of these sites. Providing links to any site should not be interpreted as endorsement or approval by S-Chem of the organizations sponsoring the sites or their information, representations, products or services.

Linking to this Site from another web site is not permitted without the prior written approval of S-Chem, which may be withheld for any reason.

Site Security

- You agree to use the Site only for lawful purposes, and not to misrepresent your identity or affiliation. You are prohibited from violating, or attempting to violate, the security of this Site. Any such violations may result in criminal and/or civil penalties against you. We will investigate any alleged or suspected violations and if a criminal violation is suspected, we will cooperate with law enforcement agencies in their investigations. Violations of the security of the site include without limitation:
- logging into or attempting to log into a server or account that you are not authorized to access;
- accessing data or taking any action to obtain data, information or services not intended for you or your use;
- attempting to probe, scan or test the vulnerability of any system or network;
- ampering, hacking, modifying or otherwise circumventing or breaching security or authentication measures;
- transmitting material that contains viruses, Trojan horses, worms, time bombs, cancelbots, corrupted files or other computer programming routines or engines or engage in conduct that could damage, disrupt or otherwise impair or interfere with a computer's functionality or the operation of the Site
- modifying any of the Material.

- Areas of the Site may be restricted and may contain additional terms and conditions for your use. If you are authorized to access such restricted areas, you agree to comply with any such additional terms and conditions.

Termination

S-Chem may modify, restrict, or terminate your ability to utilize the Site at any time, in S-Chem's sole discretion. Your right to access the Site and the Materials are conditioned upon your complying with these terms of use and applicable law. If you fail to comply with any term or provision of these terms of use, or if you do not comply with applicable law in using the Site or Materials, your right to access will immediately and automatically terminate without further notice from S-Chem, and any further access by you will be an unauthorized trespass if S-Chem's property. Upon termination of your right to access, you must destroy all Materials obtained from this Site S-Chem and all copies thereof, whether made under the terms of this agreement or otherwise. S-Chem reserves the right to deny access to any web visitor in its sole discretion.

Disclaimer

THE MATERIALS IN THIS SITE ARE PROVIDED "AS IS" AND WITHOUT WARRANTIES OF ANY KIND EITHER EXPRESS OR IMPLIED. TO THE FULLEST EXTENT PERMISSIBLE PURSUANT TO APPLICABLE LAW, S-CHEM DISCLAIMS ALL WARRANTIES, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. S-CHEM DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE MATERIALS WILL BE UNINTERRUPTED OR ERROR-FREE, THAT DEFECTS WILL BE CORRECTED, OR THAT THIS SITE OR THE SERVER THAT MAKES IT AVAILABLE ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. S-CHEM DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OR THE RESULTS OF THE USE OF THE MATERIALS IN THIS SITE IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, CURRENCY, COMPLETENESS, OR OTHERWISE. YOU (AND NOT S-CHEM) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. APPLICABLE LAW MAY NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES, SO THE ABOVE EXCLUSION MAY NOT APPLY TO YOU.

Any Technical Information contained in this Site is provided for convenience only, without any warranty or guarantee of any kind, either express or implied; furthermore, no party should rely on any such Technical Information without prior independent verification. "Technical Information" includes any technical advice, recommendations, testing, or analysis, including, without limitation, information as it may relate to the selection of a product for a specific use and application.

Limitation of Liability

Under no circumstances, including, but not limited to, S-Chem's own negligence, shall S-Chem be liable for any special or consequential damages that result from the use of, or the inability to use, the Materials or the Site, even if S-Chem or a S-Chem authorized representative has been advised of the possibility of such damages. Applicable law may not allow the limitation or exclusion of liability or incidental or consequential damages, so the above limitation or exclusion may not apply to you. In no event shall S-Chem's total liability to you for all damages, losses, and causes of action (whether in contract, tort (including, but not limited to, negligence) or otherwise) exceed the amount paid by you, if any, for accessing this Site.

Jurisdiction and Applicable Law

Unless otherwise specified, the information and Materials in the Site are presented solely for the purpose of promoting programs, products and services of S-Chem available in the Kingdom of Saudi Arabia. This Site is controlled and operated by S-Chem from its offices in Jubail, Kingdom of Saudi Arabia. The Materials are deemed to be made available to you in Jubail, Kingdom of Saudi Arabia, and you agree to submit to the jurisdiction of courts located in the Kingdom of Saudi Arabia, in connection with any dispute arising under these terms of use.

S-Chem makes no representation that Materials or the Site are appropriate or available for use in other locations. Those who choose to access this Site from other locations do so on their own initiative and are responsible for compliance with local laws, if and to the extent local laws are applicable.

These terms of use are governed by and construed in accordance with the laws of the Kingdom of Saudi Arabia, without giving effect to any principles of conflicts of law. If any provision of under these terms of use shall be unlawful, void, or for any reason unenforceable, then that provision shall be deemed severable from these terms of use and shall not affect the validity and enforceability of any remaining provisions. This is the entire agreement between the parties relating to the subject matter herein. By providing information from this Site, S-Chem does not seek to avail itself of the laws of any other jurisdiction other than the laws of the Kingdom of Saudi Arabia.
